

'STORY OF MY BIRTH' PRESENTATION (5.5.2020)

CLASS MONTESSORI -2

Every child's birth has its own unique and beautiful story full of mom's pain, father's patience and family's struggle. In order to give the students chance to narrate their own birth story 'Story of My Birth' presentation was organized for Montessori -2 on 5.5.2020 through virtual classroom. Little Montessorians presented their stories using different handmade as well as audio visual props. A great support was given from the audience side where in young learners voted for the best presentation. It was indeed a wonderful experience where the little ones left everyone mesmerized.
