

RHYMING MEMORY

(11.7.2019)

CLASS 2 (DAY-6 ACTIVITY)

On day 6, an activity based on rhyming words was conducted for class 2 students. The teacher was supposed to pick a word from the box and say, "In my box, I have a word" and the student has to take the word and come up with the rhyming word. Clues were given by group members to guess the vocabulary word. This activity helped students think and expand the imagination.
