

SAVLON, SWASTH INDIA

A Workshop Organized for Class III and IV (27.09.2016)

On 27/09/2016, the students of class 3 and 4 had a workshop on “SAVLON, SWASTH INDIA”. The presenters highlighted the importance of cleanliness and hygienic environment.

They showed various videos to the students to make them understand how important it is to clean our hands and highlighted various steps to do that.

The students were actively engaged in the activities. They enjoyed watching the videos and learnt good habits to inculcate in their daily health and hygiene routine.
