

SOCIAL SCIENCE WEEK REPORT

10th to 21st August marked the Social Science week for classes V to XII. During the week, the children put into practical use & knowledge, information gleaned from books & classroom lessons. Students from class V did extensive research work on different aspects of climate pattern & created innovative things out of e-waste. Class VI presented the unique feature of the civilisation assigned to them. The dance, music and props make the by-gone civilisations alive. Class VII showcased the Tour to Herbal Infusions presenting the uses of different Herbs. Class VIII students presented a tribunal enactment on 'Blind Lady with the Scales' highlighting the role of different agencies in Indian Judicial system.

To inculcate the spirit of Self-discipline, tolerance of diverse opinion & leadership quality among the young generation, Youth Parliament was conducted for classes IX-X whereas students from XI-XII typically role play delegates to the United Nations General Assembly and simulate UN Committees.
