

SWARANJALI - Rhyme Recitation Competition

Pre Primary

13.08.2019

"Rhyme recitation is a mode of expression, a medium to reflect the latent talents of the young ones"

MAPS is all set to celebrate 73rd year of Independence and one of the best way is to celebrate this day is Swaranjali - Rhyme recitation competition where children came up with different rhymes on the topic - Patriotism. The competition inspired the children to come forward and recite on stage. The enthusiastic participants showcased their talent and the eye catching props were an icing on the cake. Students were judged on parameters like confidence in presentation, clarity of speech, voice modulation, props and costumes. Variety of interesting rhymes with good introduction had flown in a melody from the young ones.
