

# **TUNNEL RACE**

**PRE SCHOOL**

**DATE: 12.07.17**

*Physical fitness is not only one of the most important keys to a healthy body; it is the basis of dynamic and creative intellectual activity and we understand the importance of physical fitness. To keep our little ones fit and fine, Maps organized a "Tunnel race" in which the children were supposed to go through a tunnel and the first one to come out was a winner. The little kids were full of joy and excitement during the race. Their happy faces showed how they relished every moment of the race. The tiny tots learnt a lot about sportsmanship and enjoyed a good exercise for their muscles.*
