

Virtual Tour- Traffic Training Park

23rd -27th Aug'21
Pre primary

"Safety first is safety always"

In order to impart road safety education to the students and to ensure that they grow up as responsible citizens, a virtual trip was organised for the students of Class Pre primary to the 'Traffic Training Park' from 23rd to 27th August 2021. The students glued to the screen, imagining themselves travelling together. The visit to the Traffic Training Park opened a Pandora box of Traffic rules and various Traffic signs and signals seen on the roads like Zebra Crossing, No Parking, No Walking etc. The students were explained in detail about each one of them, during the tour. It was an enriching learning experience to be retained in their memoirs for a lifetime and help in grooming them into well informed road users in future.
