

Orientation session for class XI

An interactive orientation session was conducted for the parents of class XI students on 22 July'2017.

Ms.Vandana Lal and Ms. Sapna Sharma led the session and touched upon various sensitive issues like peer

pressure, impact of social media, arrogance and anger among teenagers.

Ms. Vandana Tandon from Times of India shared her expertise upon parenting tips. She

urged the parents to focus on the need to tread along with a positive attitude and develop

strong personalities amongst the children so that they can handle success. Parents found the

session very informative and they also deliberated on many issues gave suggestions.
