

ASHOK VIHAR, PHASE -IV

## PROTECT CONSERVE RESTORE

” Restoring our Earth is not just an option, it is a necessity.”

**Earth is the only planet that has life in this universe. From pollution to solution: Together we can restore the earth to its natural glory. Saving natural resources, water and the environment should be our primary goal. Revive, Renew, Restore: Let’s be the change our planet needs for sustainable future. To instill a love for our planet in children,**

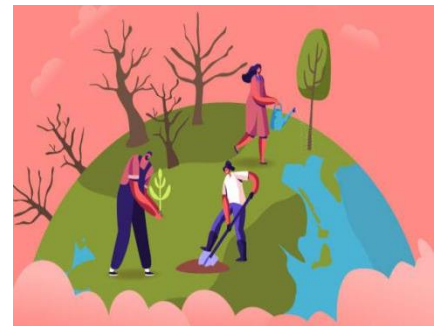

A presentation on **“RESTORE OUR EARTH”**  
is organized for class Pre Primary.

Pre Primary A,B- 22.4.24

Pre Primary C,D,E- 23.4.24

Pre Primary F,G- 24.4.24

### IMPORTANT POINTS TO BE NOTED –

- It is mandatory for all the students to participate as grades and credit score will be awarded for the same.
- Students will speak few lines (6-8) in English on how can we restore earth with a short self-introduction.
- Props must be used for effective communication.
- The presentation will help students in developing public speaking skills and boosting their self-confidence.

Regards

Class Teacher
