a Cambridge International School

“SAFETY”

is as Simple as ABC- Always Be Careful

Internet has made everyone's life very easy and simple but while using it, we should be careful about cybersecurity threats and protect our personal data. To create awareness and to educate about cyber safety and security to young minds

A Cyber Safety Competition

is organised for
Pre-Primary students
on
14.11.2024 (Thursday)

IMPORTANT POINTS TO BE NOTED: -

- The child has to dress up as a “Cyber Safety Feature”(e.g., Firewall, Antivirus, Password Protector).
- Students will explain their chosen cyber safety feature in 2-3 lines.
- Costumes and props are encouraged.
- Judgment will be done on the basis of creativity presented through costume, Clarity and accuracy of explanation, Confidence and presentation skills.
